ADAMS-RUSSELL CO. INC.

1380 Main St.
Waltham, Mass. 02154
(617) 894-8540
Gerald Adams, chairman
John Lynch, president

Cable interests:

- Cable Services Division. Owns and operates systems in the Northeast and Central U.S. serving more than 130,539 basic and 138,997 pay subscriber units (7/84).
- Video Information Services. Operates two development projects, The Cableshop and ARVIS-7000. The Cableshop provides two channels of long-form cable advertising with interactivity features so that viewers can select commercials they want to view. ARVIS-7000 is a computerized electronic system that permits cable operators to automatically insert spot advertising on any of four channels.

Communication interests:

- Electronic Products Group. Manufactures sophisticated electronic transmitters, receivers, radar equipment, antennas, primarily for the military.

AFFILIATED PUBLICATIONS INC.

135 Morrissey Blvd.
Dorchester, Mass. 02107
(617) 929-2000
William Taylor, chairman
John Giuggio, president

Cable interests:

- McCaw Communications Companies Inc. (45 percent interest). Operates cable systems in Oregon and Alaska. Total subs: 116,934 (7/84).
- 50 percent interest, along with McCaw (which holds the remaining 50 percent), in McCaw Communications of southern Oregon, an operator of systems in southern Oregon and owner of Pacific Telatronics, a microwave common carrier in northern California and southern Oregon.
- Participated in market trial of Viewtron videotex system with Knight-Ridder's Video-data Corp.; exploring possibility of joint venture.

Communication interests:

- Affiliated Broadcasting owns five AM and five FM radio stations.
- Globe Newspaper Co. Publishes *The Boston Globe*.
- McCaw Cellular Communications. (80 percent interest) Applications pending in 26 major cellular radio markets.
- Interstate Mobilephone Co. Awarded cellular licenses in Seattle and Portland metropolitan markets (McCaw Cellular has a 13.5 percent interest in each of these licenses).
- McCaw Radio Common Carrier Division. Sells and services mobile telephones and pagers.

AMERICAN BROADCASTING COS. INC.

1330 Avenue of the Americas
New York, N.Y. 10019
(212) 887-7777
Leonard Goldenson, chairman
Frederick Pierce, president

Cable interests:

- ABC Video Enterprises. The division's principal activity is as a supplier of programming, typically through joint ventures. Hearst/ABC Video Services operates, in partnership with Viacom International, Lifetime, a lifestyle and health channel; and, in conjunction with RCTV Inc., the ARTS & Entertainment Network, a visual and performing arts channel. It recently acquired 100 percent interest in ESPN, and is experimenting, in a joint venture with Cox Cable, with a pay-per-view movie service called FirsTicket. Finally, a sales and marketing unit licenses other ABC programs to various distribution services.

Communication interests:

- TeleFirst Entertainment Recording Service, an in-home, on-demand video cassette recording service, in a test phase in Chicago.
- ABC Television Network, with 210 primary affiliated TV stations.
- ABC Entertainment.
- ABC News.
- ABC Sports.
- ABC Broadcast Operations and Engineering.
- Five wholly-owned television stations.
- Six FM, six AM stations.
- Seven ABC Radio Networks.
- ABC Motion Pictures.
- ABC Publishing.
- ABC Scenic Attractions.
- ABC Entertainment Center.

AMERICAN EXPRESS CO.

American Express Plaza
New York, N.Y. 10004
(212) 323-2000
James Robinson, III, chairman
Sanford Weill, president

Cable interests:

- Warner Amex Cable Communications. Joint ownership (50-50) with Warner Communications Inc. 116 systems in 24 states; total subs: 1,371,000. Sixth-largest MSO in U.S. (7/84).
- Warner Amex Satellite Entertainment Co. Distributes MTV: Music Television, an ad-supported rock music program service reaching 21.8 million cable households, and Nickelodeon, and ad-supported childrens' programming channel, reaching 20.1 million cable homes. (6/84).
- Interactive-capable systems operating in Cincinnati; Columbus, Ohio; Pittsburgh, Dallas, five Chicago suburbs and a portion of St. Louis.
- Warner Amex Security Systems. Offers subscribers a 24-hour home security service.
- Home Sports Entertainment. Regional pay sports available on Dallas and Houston systems, discontinued in Pittsburgh.
- Showtime/The Movie Channel. Joint venture of Viacom International (50 percent interest), Warner Communications Inc. (31 percent interest) and Warner Amex (19 percent interest). Merges the two pay TV movie services under common management, but preserves their separate identities. In February 1984, S/TMC acquired the exclusive national pay TV rights to theatrical motion pictures released over the next five years by Paramount Pictures Corp.
- Joint venture with Ziff-Davis Publishing Co. and Quarto Communications Inc. for programming for pay-per-view home video.
- Joint venture with Atari Inc., CompuServe Inc. and Warner in Columbus to test consumer preferences in usage of four major data banks: *The New York Times*, *Washington Post*, *Los Angeles Times* and Associated Press.

Communication interests:

- American Express Publishing Corp. Publishes *Travel & Leisure* and *Food & Wine*.

ANIXTER BROS. INC.

4711 Golf Rd.
Skokie, Ill. 60076
(312) 677-2600
Alan Anixter, president
William Anixter, executive vice president

Cable interests:
- Anixter Communications. Buys, stores and distributes a full range of products needed to construct telephone and cable TV systems, including cable, connectors, converters, earth stations and related receiving equipment, headend and distribution equipment.
- Anixter Cable Service Centers. Manufacture molds, connectors and vulcanizers used in splicing and repairing.
- Anixter-Mark manufactures earth satellite, microwave, cellular radio, high performance and two-way communication antennas.

ARVIN INDUSTRIES INC.

1531 Thirteenth St.
Columbus, IN 47201
(812) 379-3872
James K. Baker, president

Cable interests:
- Operating Division of Consumer Electronics. Manufactures addressable cable televison converters and introduced assemblies for cable television and satellite receivers.

Communication interests:
- Consumer Electronics Division. Manufactures telephone message center modules.

AUGAT INC.

89 Forbes Blvd.
Mansfield, Mass. 02048
(617) 543-4300
Roger Wellington, chairman
William Miller, president

Cable interests:
- Manufactures cable connectors: Vitek traps, line amplifier replacement electronics, amplifiers for house drop and apartment applications.
- LRC Electronics.
- Vitek Electronics.
- Broadband Engineering Inc.
- Reed Devices Inc.
- Pylon Co.

BURNUP & SIMS

1333 S. University Dr.
Ft. Lauderdale, Fla. 33324
(305) 587-4512
Riley Sims, chairman
Nick Caporella, president

Cable interests:
- Burnup & Sims Cable Com Inc.
- Capscan Cable Co. Inc.
- Consolidated Cable Corp.
- Control Com Inc.
- Lectro Products Inc.

(All companies design, engineer, manufacture cable equipment.)

Communication interests:
- I-Com Group. Equips, designs installs and maintains telephone systems for commercial and utility use.
- Tele-Services Group. Installs and maintains aerial and underground telephone cable systems.
- General Products Group. Diversified group of companies that includes an 86-screen theater chain in Florida and south Georgia, a commercial printing facility, and a southwest Florida soft-drink bottling facility.

CAPITAL CITIES COMMUNICATIONS INC.

24 E. 51st St.
New York, N.Y. 10022
(212) 421-9595
Thomas Murphy, chairman
Daniel Burke, president

Cable interests:
- Capital Cities Cable Inc. 357,435 subs in 53 systems (7/84).
- *The Cable Connection*. Cable magazine joint venture between *Fort Worth Star-Telegram* and Capcities local cable franchise.
- Star-Text. Videotex Information service of *Star-Telegram*: 1200 subs (8/84).
- Fairchild Publications. Publishes numerous periodicals, including *Multichannel News*.

Communication interests:
- Six television stations.
- 12 radio stations: six AM and six FM.
- 10 daily newspapers in eight markets; 25 weekly newspapers; 35 business and specialized newspapers and magazines (including International Medical News Group, Professional Press Group, American Traveler Group and Fairchild Publications).

(212) 484-8000
Steven Ross, chairman

Cable interests:
- Warner Amex Cable Communications. Joint ownership (50-50) with American Express Co. 119 systems in 25 states; total subs: 1.4 million. Sixth-largest MSO in United States (7/84).
- Warner Amex Satellite Entertainment Co. Distributes MTV: Music Television, an ad-supported rock music program service reaching 21.8 million cable households, and Nickelodeon, an ad-supported children's programming channel, reaching 20.1 million cable homes (6/84).
- QUBE interactive systems operating in Cincinnati; Columbus, Ohio; Pittsburgh, Dallas, five Chicago suburbs and a portion of St. Louis.
- Warner Amex Security Systems. Offers subscribers a 24-hour home security service.
- Home Sports Entertainment. Regional pay sports service available on Dallas and Houston systems, discontinued in Pittsburgh.
- Showtime/The Movie Channel. Joint venture of Viacom International (50 percent interest), Warner Communications Inc. (31 percent) and Warner Amex (19 percent). Merged the two pay TV movie services under common management. In February 1984, S/TMC acquired the exclusive national pay TV rights to all theatrical motion pictures released over the next five years by Paramount Pictures Corp.

Communication interests:
- Consumer electronics. Atari video games.
- Filmed Entertainment. Through Warner Bros., Warner Bros. Theatrical, Warner Bros. Television, Warner Home Video and Licensing Corp. of America produces and distributes films for television, pay television and home video markets; owns Panavision, a leading manufacturer of

motion picture cameras.
- Recorded Music and Music Publishing. Owns Warner Bros. Music, Atlantic Records and Elektra/Asylum/Nonesuch Records, among other companies.
- Warner Publishing. Publishes books, comic books and home computer software.
- Owns 48 percent interest in the Pittsburgh Pirates baseball club.
- Owns and operates, through a 95 percent-owned subsidiary, the Cosmos soccer team.
- Holds 42.5 percent interest in BHC Inc., the broadcast television subsidiary of Chris Craft Industries Inc.

WESTINGHOUSE ELECTRIC CORP.

Westinghouse Building
Gateway Center
Pittsburgh, Pa. 15222
(412) 244-2000
Douglas Danforth, chairman

Cable interests:
- Group W Cable. 150 systems in 34 states, 2 million subs. Third-largest MSO (7/84).
- Group W Satellite Communications. Sells and markets The Nashville Network, a division of Opryland USA Inc. (ad-supported network with country music twang, 2,000 affiliates with 16.8 million subscribers, as of July 1984); owns, operates and distributes Home Team Sports, a regional sports network launched in the Washington, D.C. area on April 4, 1984, with approximately 20,000 pay TV subs; and owns, operates and distributes the SuperChannel, a regional pay sports service in Seattle/Tacoma market, with 22,000 subs (4/84).
- Home Theatre Network. Pay TV movie network offered on 400 systems with 275,000 subs.
- EvenTelevision. Joint pay-per-view venture with ATC, TCI and Caesar's World.
- Testing teletext service for cable in Buena Park, Calif.
- Joint venture with Viacom Cable to create Pacific Northwest Interconnect, which will sell advertising of five Seattle/Tacoma area cable systems.

Communication interests:
- Group W Television: Five VHF stations.
- Radio Group: Six AM and five FM stations.
- Group W Productions. Serves the syndication, network and cable program market.
- Muzak. World's leading supplier of environmental music.
- Filmation Associates. Children's animation programming company.
- TVSC. Videotape duplication production facility.
- Newsfeed Network. Independent television news cooperative feeding 48 stations via satellite.

ZENITH ELECTRONICS CORP.

1000 Milwaukee Ave.
Glenview, Ill. 60025
(312) 391-7000
Jerry Perlman, president/chairman

Cable interests:
- Manufactures Z-TAC (Zenith Tiered Addressable Converter) converters and decoders; Z-View two-way, addressable decoders permitting impulse pay-per-view options; and Computer Space Command, a remote transmitter that operates both Z-TAC and Z-View decoders; and Z-Text cable-teletext decoders.
- Manufactures electronic studio equipment and cable TV management and billing software.

Communication interests:
- Manufactures black-and-white and color TV sets, videocassette recorders, micro-computers, multichannel TV stereo sound transmission systems, projection and component TV systems, video cameras and over-the-air teletext equipment.
- The Heath Company. A wholly-owned subsidiary producing and marketing consumer electronics products in kit and assembled form.

All figures are stated in millions.

[1] Stock prices reflect two-for-one split in April 1983.

[2] Cable-related revenues, income and identifiable assets represent performance of Communications Services and Products segments.

[3] Cable-related revenues, operating income and identifiable assets represent performance of Broadcasting and Cable segments combined.

[4] Gulf + Western restructured its seven operating groups into three over the past fiscal year. As a result, the cable related financial data are presented as a portion of the Entertainment and Communications Group.

[5] North American Philips' cable-related data are subsumed under its Professional Equipment segment.

[6] ABC's cable-related data are subsumed under its Professional Equipment segment.

[7] Cable-related data are reported as part of the Telecommunications segment.

[8] Tribune Co. did not report high and low stock averages for 1983, the first year in which its stock was publicly available.

[9] Cable-related data are reported under general Filmed Entertainment segment.

Cable-related revenues			Cable-related operating income (loss)			Cable-related identifiable assets			Stock prices

[10] Walt Disney Productions anticipated a $28.3 million operating loss in fiscal 1983 for The Disney Channel, but overall cable-related data shown here represent part of the company's Motion Picture segment.

[11] Centel's cable-related data represent performance of Centel Cable Television Co.

[12] Cable-related data represent combined results of Broadcasting and Cable TV Group.

[13] General Instrument's annual report for fiscal year 1984, which ended February 29, 1984, was not available at press time, although a press release reported highlights of the company's performance, included here.

[14] Dow Jones & Co. does not report its cable-related data separately; nor does CCI reveal these results.

[15] Insilco's cable-related data represent results of the Electronics/Communications segment, of which Times Fiber is a part and contributes about 55 percent of revenues.

[16] Cable-related data represent results of overall Media Group, which includes broadcast TV and radio operations.

[17] Cable-related data represent combined results of radio, television, entertainment and cable operations.

[18] Cable-related data represent results of the Communications segment.

[19] Cable-related data are for United States operations only.

[20] Viacom's 1983 revenues do not include revenues of Showtime/The Movie Channel formed in September 1983. Fifty percent of the revenues of the originally owned Showtime Entertainment were included in the results for the first eight months of 1983.

[21] McCaw is considered an investment, and Affiliated uses the equity method of accounting.

[22] Consolidated results available at press time do not break out cable data separately, nor do they include total assets or hi/low stock prices..

[23] Cable-related data are subsumed under cable television and utility services.

---

[24] Cable revenues are actually net sales and revenue from continuing operations. Cable-related data include results of videocassette and videodisc sales as well as STV, syndication and CATV program operations.

[25] Total revenues, net income and identifiable assets reflect STV losses, which are included as discontinued operations.

[26] Heritage-sponsored limited partnerships had revenues of $21.1 and $11.4 million in 1983 and 1982, respectively.

[27] Sammons Enterprises is a privately owned company and does not reveal total revenues, net income or total assets, nor does Sammons offer public stock.

[28] Scripps-Howard is owned by The E.W. Scripps Company; cable-related data are combined totals for partnerships and subsidiaries.

[29] Cable-related data reflect results of Telecommunications segment, which includes cable systems, Cableshop and ARVIS-7000 operations.

VII. Multiple System Operators

The Multiple System Operators section provides a comprehensive view of the ownership of cable television systems in the United States. Every company or individual owning two or more cable television systems is listed.

DISTRIBUTION OF MSO-OWNED SYSTEMS

Systems Owned	Number of MSOs (within given range)	Number of Systems (within given range)
over 100	6	995
91-100	0	0
81-90	1	86
71-80	1	79
61-70	5	327
51-60	2	107
41-50	4	187
31-40	9	305
21-30	17	432
11-20	46	633
2-10	235	1174

Figures are as of October 31, 1984.
